Advanced Threat Protection

The screenshot shows the Sophos UTM 9 web interface. The top navigation bar includes the Sophos logo, 'UTM 9', and user information 'admin_tech'. A search bar is present on the left. The main menu on the left lists various protection modules, with 'Advanced Threat Protection' highlighted in red. The main content area is titled 'Status von Advanced Threat Protection' and features a green status indicator. Below this, the 'Allgemeine Einstellungen' section shows a policy set to 'Verwerfen'. A detailed explanation of the protection mechanism is provided, along with a section for 'Bedrohungsabweisungen' (Threat Exclusions) which is currently empty. A 'Übernehmen' (Apply) button is visible at the bottom of the settings section. The 'Live-Protokoll' (Live Log) section at the bottom contains a button to 'Live-Protokoll öffnen' (Open Live Log) and a note to click the button to view the log for Advanced Threat Protection.

Allgemein

Status von Advanced Threat Protection

Allgemeine Einstellungen

Richtlinie: Verwerfen

Advanced Threat Protection ist für allen Verkehr aktiviert, der die UTM passiert. Wenn Sie bestimmte Quellhosts oder -netzwerke vom Malware-Scan ausnehmen wollen, können Sie diese in Netzwerk-/Host-Ausnahmen definieren.
Um ein Ziel vom Malware-Scan auszunehmen oder eine Bedrohung, die gefunden wurde, freizugeben, geben Sie in Bedrohungsabweisungen die Domäne oder IP-Adresse ein. Eine gefundene Bedrohung freizugeben ist nicht empfehlenswert, da dies infizierte Computer den Command-&-Control-Servern aussetzt, die Hacker verwenden, um eventuell die Kontrolle über den Computer zu übernehmen und auf Ihr Netzwerk zuzugreifen.

Advanced Threat Protection maximieren:
Diese Funktion ist in der Lage, mit Intrusion Prevention und Web Protection zu interagieren.

IPS ist im Augenblick **aktiviert**
Web Protection ist im Augenblick **aktiviert**

SD-WAN/Multipathregeln

The screenshot displays the Sophos UTM 9 web management interface. At the top, the header includes the Sophos logo, the version 'UTM 9', and the user 'admin_tech'. Below the header, a search bar contains the text 'suchen'. The main navigation area features several tabs: 'Schnittstellen', 'Zusätzliche Adr...', 'Linkbündelung', 'Uplink-Ausgl...', 'Multipathregeln', and 'Hardware'. The 'Multipathregeln' tab is currently selected and circled in red. Below the tabs, there is a search bar with 'suchen' and a 'Finden' button. A '+ Neue Multipathregel...' button is also visible. On the right side, there is a pagination control showing 'Anzeige: 10' and '1-10 of 24'. On the left side, a sidebar menu is visible under the heading 'Schnittstellen & Routing'. The 'Schnittstellen' item in this menu is circled in red. Other items in the sidebar include 'Dienstqualität (QoS)', 'Uplink-Überwachung', 'IPv6', 'Statisches Routing', 'Dynam. Routing (OSPF)', 'Border Gateway Protocol', 'Multicast Routing (PIM-SM)', 'Netzwerkdienste', 'Network Protection', 'Web Protection', 'Email Protection', 'Erweiterter Schutz', 'Endpoint Protection', 'Wireless Protection', 'Webserver Protection', 'RED-Verwaltung', 'Site-to-Site-VPN', 'Fernzugriff', 'Protokolle & Berichte', 'Support', and 'Abmelden'.

Authentifizierung

The screenshot displays the Sophos UTM 9 web interface. At the top, the header includes the 'SOPHOS UTM 9' logo and navigation icons for user profile (admin_tech), help, refresh, and settings. A search bar is located on the left. The main navigation menu on the left lists various system components, with 'Authentifizierungsdienste' (Authentication Services) highlighted in orange. The main content area is titled 'Authentifizierungsdienste' and features a breadcrumb trail: 'Allgemeine Eins...' > 'Server' > 'Single Sign-On' > 'Einmaliges ...' > 'Erweitert'. A '+ Neuer Auth-Server...' button is visible. A search bar with the text 'suchen' and a 'Finden' button is present. On the right, there are navigation arrows and a display count of 'Anzeige: 10' and '1-5 of 5'.

User SSL-VPN

The screenshot displays the Sophos UTM 9 web management interface. At the top, the header includes the Sophos logo, the product name 'UTM 9', and the user 'admin_tech'. A search bar is present with the text 'suchen'. The main navigation menu on the left lists various system functions, with 'Fernzugriff' (Remote Access) expanded to show 'SSL' selected and circled in red. Other options include PPTP, L2TP über IPsec, IPsec, HTML5-VPN-Portal, Cisco™ VPN Client, Erweitert, Zertifikatverwaltung, Protokolle & Berichte, Support, and Abmelden. The main content area is titled 'SSL' and contains tabs for 'Profile', 'Einstellungen', and 'Erweitert'. It features a '+ Neues Fernzugriffsprofil...' button, a search field with 'suchen' and a 'Finden' button, and a 'Live-Protokoll öffnen' button. On the right side, there is a pagination control showing 'Anzeige: 10' and '1-10 of 31'.

User IPsec VPN

The screenshot shows the Sophos UTM 9 web interface. At the top, the logo 'SOPHOS UTM 9' is displayed on the left, and the user 'admin_tech' is logged in on the right. Below the header, there is a search bar with the text 'suchen' and a search button. The main navigation menu on the left includes categories like 'Dashboard', 'Verwaltung', 'Definitionen & Benutzer', 'Schnittstellen & Routing', 'Netzwerkdienste', 'Network Protection', 'Web Protection', 'Email Protection', 'Erweiterter Schutz', 'Endpoint Protection', 'Wireless Protection', 'Webserver Protection', 'RED-Verwaltung', and 'Site-to-Site-VPN'. Under the 'Fernzugriff' (Remote Access) section, the 'IPsec' option is circled in red. Other options in this section include 'SSL', 'PPTP', 'L2TP über IPsec', 'HTML5-VPN-Portal', 'Cisco™ VPN Client', 'Erweitert', 'Zertifikatverwaltung', 'Protokolle & Berichte', 'Support', and 'Abmelden'. The main content area shows tabs for 'Verbindungen', 'Richtlinien', 'Erweitert', and 'Fehlersuche'. A '+ Neue IPsec-Fernzugriffsre...' button is visible. There is also a search bar with 'suchen' and a 'Finden' button, along with a 'Anzeige: 10' dropdown and '1-8 of 8' pagination information.

Site-to-Site IPsec

The screenshot displays the Sophos UTM 9 web management interface. At the top, the header includes the 'SOPHOS UTM 9' logo, the user 'admin_tech', and navigation icons. Below the header, a search bar contains the text 'suchen'. The main navigation menu on the left lists various system functions, with 'Site-to-Site-VPN' expanded to show 'IPsec' selected and circled in red. The main content area features a breadcrumb trail: 'Verbindungen > Entfernte Gatew... > Richtlinien > Lokaler RSA-Sc... > Erweitert > Fehlersuche'. Two primary action buttons are visible: '+ Neue IPsec-Verbindung...' and 'Live-Protokoll öffnen'. A search bar with 'suchen' and a 'Finden' button is also present. In the bottom right corner, the display settings show 'Anzeige: 10' and '1-10 of 27' items.

Site-to-Site SSL

The screenshot displays the Sophos UTM 9 web management interface. At the top, the header includes the 'SOPHOS UTM 9' logo and navigation icons for user profile (admin_tech), help, refresh, and settings. A search bar is present with the text 'suchen' and 'SSL' next to it. The left sidebar contains a menu with categories: Dashboard, Verwaltung, Definitionen & Benutzer, Schnittstellen & Routing, Netzwerkdienste, Network Protection, Web Protection, Email Protection, Erweiterter Schutz, Endpoint Protection, Wireless Protection, Webserver Protection, RED-Verwaltung, Site-to-Site-VPN (with sub-items Amazon VPC, IPsec, and SSL circled in red), Zertifikatverwaltung, Fernzugriff, Protokolle & Berichte, Support, and Abmelden. The main content area is titled 'SSL' and has tabs for 'Verbindungen', 'Einstellungen', and 'Erweitert'. It features a '+ Neue SSL-Verbindung...' button, a 'Live-Protokoll öffnen' button, a search input with 'suchen' and a 'Finden' button, a dropdown menu set to 'Alle', a pagination control with '<<' and '>>' arrows, and a display count of 'Anzeige: 10' and '1-2 of 2'.

RED Standalone

The screenshot displays the Sophos UTM 9 web management interface. At the top, the header includes the 'SOPHOS UTM 9' logo on the left, a user profile for 'admin_tech' in the center, and several utility icons (help, refresh, settings) on the right. Below the header is a search bar and the current page title 'RED Management'. A horizontal navigation bar contains tabs for 'Overview', 'Global Settings', '[Server] Client ...', '[Server] Deploy...', and '[Client] Tunnel ...'. On the left side, a vertical navigation menu lists various system functions. The 'RED Management' item in this menu is circled in red. The main content area to the right of the menu is currently empty.
